

Kioma Kronicle

Edition 4, June 2022

Principal's Pen

Thank you for the warm welcome that I have received since I arrived. The Kioma Community is strong and I am looking forward to working with you all over the coming months.

I have enjoyed working with all the students across the school. I'm looking forward to getting to know each student more over the next term.

This term, students have travelled to Bungunya every Friday to participate in HPE, The Arts and Technology lessons with the students at Bungunya State School. This has been a fantastic opportunity for the students to socialise with other students in the cluster and to participate in team sports with a larger group of students. This will continue again next term.

Please come along to our next P&C meeting next week. We will be discussing camp for our senior students.

Please remember to keep an eye out for our little school in your travels over the holidays.

Attendance Data

The Kioma State School attendance rate is well below the target of 95% at 86%. It is an improvement from last month so a big well done to all families for making sure their child/ren attend school. It is good reminder that every day of learning counts.

Please remember that if your child/ren are sick, it is still a good idea to keep them home.

Remember:

Avoid keeping your child away from school for: birthdays, shopping, visiting family and friends, if they sleep in, looking after other children, minor check-ups or care such as haircuts.

Homework and Library Borrowing

We are now at the end of the term. Could you please help us by making sure homework is completed each week and returned Friday?

This is the last week for borrowing. We will need all library books returned next week. Library borrowing will resume after the holidays.

1 or 2 days a week doesn't seem much but.....
